

## BANOQUE NATIONAL SCHOOL

12<sup>th</sup> June 2023

Dear Parents,

This coming year is going to be a year of change for Banogue National School. We are opening a second ASD class and we have secured modular accommodation for this new Autism class along with modular accommodation for our 4<sup>th</sup> mainstream classroom. While we have secured funding for this accommodation planning regulations will delay the delivery of the units for a number of months.

As a result of this delay 2 classrooms will be set up in the hall – 3<sup>rd</sup>/4<sup>th</sup> and 5<sup>th</sup>/6<sup>th</sup> class, with a division between both classes. Team teaching will be used to maximise small group instruction in the senior classes and also in the Junior/Senior Infant classroom.

We will also have 6 SNA's working throughout the school.

As a result of these changes the Principal role has changed to that of administrative Principal which means that I will be working in the school office on a full-time basis.

I am confident that we have a wonderful team of teachers who are fully committed to quality teaching and learning.
