General Approach

The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

When using the internet pupils, parents and staff are expected:

- To treat others with respect at all times.
- Not undertake any actions that may bring the school into disrepute.
- Respect the right to privacy of all other members of the school community.
- Respect copyright and acknowledge creators when using online content and resources.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in Banogue National School .

- It also applies to members of staff, volunteers, parents, carers and others who access the internet in Banogue National School.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

Banogue National School will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases Banogue National School will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

Banogue National School implements the following strategies on promoting safer use of the internet;

- Pupils will be provided with education in the area of internet safety as part of our implementation of the SPHE and CSPE curriculum.

This policy and its implementation will be reviewed annually by the following stakeholders:

- Board of Management, teaching staff, and support staff.

This policy has been developed by a working group including: Principal, Deputy Principal, teachers, pupils, parents/carers, and representatives of the Board of Management.

The school will monitor the impact of the policy using:

- Logs of reported incidents.

Should serious online safety incidents take place, the Principal, Ms Cagney, should be informed.

The implementation of this Internet Acceptable Use policy will be monitored by the Principal, Ms Cagney and the Deputy Principal, Mrs O Sullivan.

Content Filtering

Banogue National School has chosen to implement the following level on content filtering on the Schools Broadband Network:

- Level 4 This level allows access to millions of websites including games and YouTube but blocks access to websites belonging to the personal websites category and websites such as Facebook belonging to the Social Networking category.

Pupils taking steps to by-pass the content filter by using proxy sites or other means may be subject to disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion.

Web Browsing and Downloading

Pupils will not intentionally visit internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.

Pupils will report accidental accessing of inappropriate materials in the classroom to their teacher.

Pupils will report accidental accessing of inappropriate materials in school but outside the classroom to the principal, Ms Cagney.

Pupils and staff will not copy information from the internet without acknowledging the creator and referencing the source of the content.

Pupils and staff will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

Pupils will use the school's internet connection only for educational and career development activities.

Pupils will not engage in online activities such as uploading or downloading large files that result in heavy network traffic which impairs the service for other internet users.
